FY2018 REGULATORY PLAN - The Iowa Board of Medicine’s priorities for rulemaking and legislation in FY2018 (July 1, 2017, through June 30, 2018) are as follows: Fulfill any requirements imposed new laws; complete changes resulting from administrative and judicial decisions; address public health issues; and update or rescind rules that are outdated. The list above include possible amendments in administrative rules the Board may pursue in FY2018. Some rule changes are required to complement new statutes. * The dates assigned to the tentative schedule correspond with regularly scheduled Board meetings. Agendas on Board meetings are posted on at www.medicalboard.iowa.gov a week to 10 days prior to a meeting.
